Reasons for Allowance

1. Claims 20, 22-29, 31-37, and 41-45 are allowed.

The following is an examiner's statement of reasons for allowance:

Claim 42 includes the limitation of the address chip coupled to the processor bus and the data chip, the address chip including a configuration ring having a master, a first target, and a second target, wherein the master originates a plurality of packets containing configuration information and passes the plurality of packets via the ring to configure the first and second targets, which is not shown by the prior art of record in the combination as disclosed and claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
